Inclusions, Exclusions, and General Terms

Our birthing packages are designed to provide safe and comfortable care for the mother and baby during delivery and hospital stay.

Normal & Assisted Birth:

• The package begins from the time of admission to the Hayat Birthing Unit (Labor & Delivery Rooms), 5th Floor.

Additional charges will apply if the stay in the Hayat Birthing Unit exceeds 6 hours for medical care.

Package includes:

- Attendance by a Pediatric Registrar at birth.
- Post-delivery visit by an Obstetrics Registrar.
- Discharge summary for the mother.
- Routine maternal tests, once only:
  - CBC
  - Random Blood Sugar
  - Blood Group and Rh
  - Urine Dipstick Test
- Mask analgesia during delivery.
- Electronic fetal heart and contraction monitoring.
- Baby examination by a Pediatric Registrar before discharge.
- Routine baby tests, once only:
  - Bilirubin
  - Blood Group
  - Blood Gases
  - Neonatal Screening
- Newborn Screening Blood Test. Results will be available after 2 weeks.
- Hepatitis B vaccine for the baby before discharge.
- Accommodation and food as per the selected package.
- Companion accommodation and food only in Lotus, Orchid and Royale Orchid Suite package only

Cesarean Section

• The Cesarean Section package includes all services under Normal & Assisted Birth, plus:

- Operating Room charges.
- Anesthesia charges and anesthetist fee during the procedure.
- Routine Recovery Room care after surgery.
- Blood cross-matching for the mother, once only.

Not Included in the Package

• The following will be charged separately, if applicable:

- Stay in Hayat Birthing Unit for over 6 hours.
- **OB/GYN Consultant fees.** Any additional or special fee charged by the Consultant, beyond the normal delivery charges covered under the package, is not included and will be billed separately.
- Follow-up visits for mother and baby after discharge.
- Critical pregnancy complications or premature birth care.
- Epidural analgesia, charged at KD 150.
- Additional charges for a specific Anesthetist or Pediatric Consultant, if requested.
- Surgeon, anesthetist, consultant, or specialist fees beyond the package coverage.
- Physiotherapy in-room consultation.
- Induction of labour.
- Additional medicines during stay or at discharge.
- Blood or blood product administration.
- Intensive care for mother or baby, including Neonatal Unit admission.
- Assisted delivery methods such as vacuum, forceps, or breech delivery.
- Extra procedures during delivery, including tubal ligation, cervical cerclage removal, posterior repair, or similar procedures.
- Additional tests, investigations, procedures, or doctor visits for mother or baby.
- Additional charges for twins or multiple babies.

contd...

Not Included in the Package

• Baby services such as circumcision, hearing test, CCHD screening, bilirubin check, hip ultrasound, or other procedures.
• Extra bed charges in private rooms, except Jasmine Suites and above.
• Additional days of accommodation for mother and baby.
• Nursing or other services after discharge.

General Terms and Conditions:

• Preferred room category is subject to availability at admission.
• Access to inpatient suite after recovery depends on availability.
• Extension of stay is allowed only for medical reasons and subject to room availability.
• Additional stay will be charged per night.
• Checkout time is 10:00 am.
• Guests are responsible for any damage caused during their stay.
• If the package is upgraded during the package period, the higher package rate will apply for the full duration.
• Repeated Cesarean Section charges:
  ◦ First repeat: KD 100
  ◦ Second repeat: KD 150
  ◦ Third repeat and above: KD 200
• Insurance does not cover special request fees, such as a specific Anesthetist or Pediatrician.
• The hospital is not responsible for loss of personal belongings. Safety boxes are available in all suites.
• Discounts and promotional prices are not applicable for Lily and Camellia packages.
• Only one relative at a time may accompany the patient in the Birthing Unit.
• Smoking is not allowed inside the hospital.
• Mimosa Suite (Observation room) charge per night: KD 120.

Mother and Baby Protection Device

The mother and infant protection device must not be tampered with, damaged, mishandled, or taken away. If the device is damaged or not returned at discharge, KD 50 will be charged.

For any clarification, please contact our Maternity or Admission team before admission. Our team will be happy to guide you through the package details and applicable charges.

Royale Home Health:

Mother & Baby Home Care

• Multiple home care packages available, starting from KD 75.
• Comprehensive postnatal care for both mother and baby, provided in the comfort of your home after delivery.
• Our experienced healthcare professionals ensure a safe, convenient, and personalized recovery experience for you and your newborn.
